Having lived and worked in Brighton for the last 10 years, I am aware of the excellent work TDC do in the city. I am passionate, personally and professionally, to ensure that everyone has the ability to thrive and to eliminate the inequalities that prevent them from doing so.

It would be an honour to serve and support an organisation which focuses on making Brighton and my family's hometown a better place to live.

What I will offer as a Trustee of TDC:

Please outline, in maximum 350 words, your relevant knowledge, skills and experience.

With a wealth of experience from working in the third sector and education, I have had the pleasure of managing projects focused on the young through to the ageing and from community activities through to health. My key achievements in recent years have been; to develop a detailed community led strategic plan to serve the older people in Brighton & Hove which has also included leading on a local emergency response to the pandemic involving a large team of volunteers and paid staff.

My approach always comes from a passion to ensure that I deliver and implement creative, high quality and exceptional services that keep the service user at the heart of the project. I am dedicated to delivering person-led, inclusive and responsive projects.

I have lived and worked within the city for over 10 years, including choosing to raise my family here. I have an understanding of the issues people face within Brighton & Hove and I am passionate about playing a part in ensuring the city is an incredible place for everyone to live.
